**“Voice Memories”**

**A Special Gift**

We are creating a uniquely personal gift of voice recordings from Harry's many friends, former choir members, colleagues, or anyone who would like to share a special message, tribute or favorite memory for Harry. We know Harry will be profoundly appreciative of hearing these heartfelt **“Voice Memories”** directly from you, especially if you are unable to attend the event.

We are asking each of you who would like to contribute to this recording to call this special number to record your greeting and/or message for Harry.

**To Create Your Message**

1. Call **1-888-772-5695** to record your message.
2. Please identify your recording with your name in your message (no phone numbers or email addresses in message).
3. We will be collecting messages from **December 5 through December 20.**
4. To insure quality, please use a land-line phone for your recording.

(We will try to include all messages, but please understand, if the message is not audible, we reserve the right not to include the recording.)
